

---

This German-language PDF file walks you through the basics of being a teacher in Germany. It covers all of the information about your job, including your everyday responsibilities. There are sections on how to prepare for your new position, what to expect from students and parents, and how to deal with tricky situations in class. There are also outlines of the available teaching materials, as well as advice on what to do if you're unhappy with your job. You can download the PDF file by clicking here .

Title:Essen & Trinken im Internet.pdf Download

This German-language PDF file has a long title so I'll just call it 'Food and Drink'. This handy PDF contains information about German food, drinks, specialities and regional cuisine. It includes sections on popular dishes, traditional foods, drinks and drinks culture. There's also lists of the best places to eat, drink and shop for food in Germany. This handy PDF also lists common food allergies and other dietary requirements. You can download this PDF file here if you like.

Title:Fremdwörterbuch A1.pdf Download

This German-language PDF file contains a list of 2000 words that are not part of everyday conversation (but should be!). This handy list includes all kinds of useful expressions, including everyday greetings, numbers, time vocabulary and useful nouns. It also includes handy expressions for the workplace. This PDF would be especially useful to teachers of German, but it can be used by anyone who needs to brush up on their written or verbal communication skills.

Title:Goethe Institut Sprachkurs-Broschüre A1-A2.pdf Download

This German-language PDF file contains brochures for beginner's language courses at the Goethe Institut. You can learn German at over 100 locations in Germany by taking part in one of their fun and practical courses. You can download this PDF here .

Title:Lesen und verstehen muss man lernen.pdf Download

This German-language PDF file contains a brochure from the German Book Office which explains how to read a book or a newspaper in German. There are some interesting linguistic observations and advice on various aspects of reading for those who want to build their skills in this area. You can download this PDF here .
